The Iowa Family PAC Endorses Vicki Stogdill for State Senate in the November 6th Election

Pleasant Hill, Iowa. – The Iowa Family PAC announces its endorsement of Vicki Stogdill, a pro-family, pro-constitutional candidate for the general election for Senate District 18.

The Iowa Family PAC is endorsing Stogdill because of her proven ability to lead and stand firm for constitutional, conservative, pro-family principles.

The qualifications for an endorsement from The Iowa Family PAC include the belief that society and government work best when citizens accept a high level of personal responsibility and that the only way our nation can reclaim a God-honoring culture is to defend strong families. Other key qualifications include the protection of life from conception to natural death and the belief that marriage is a permanent, lifelong commitment between one man and one woman. The Iowa Family PAC also only supports candidates who believe it is the duty of parents to oversee the education of their children and that an ethical, free enterprise system is consistent with the biblical notion of stewardship. Endorsed candidates will be expected to support and defend both the Iowa and U.S. Constitutions.

Chuck Hurley, Chair of The Iowa Family PAC, said, “The Iowa Family PAC is happy to endorse Vicki Stogdill, a godly woman of faith, whose worldview is consistent with Judeo-Christian principles and who will boldly defend and honor issues relating to the family. Vicki understands the values of her district and will work hard to champion pro-family values of Iowans in her district. We will be praying diligently between now and November 6th for Vicki Stogdill and her family.”
